

ARCHITECTURAL SCAVENGER HUNT

London Road in Southborough has many hidden details from the past (and some from the present). As you walk along our high street to see the exhibition, look carefully to see if you can identify the locations of these 10 photographs (HINT: between the Imperial Pub and Day Lewis Pharmacy).

Instructions:

In the space under each photograph, clearly print the name and address of the shop which the architectural detail appears. **Please return your entries to the pink boxes at either Premier opp. the Library or Premier Osborns on the Parade by Monday, 21st September.**
